

## TOKEN BLURB

The I/M list brings you a lick of Levantine wine to match the cuisine, along with island wines from around the world, including our own big chunk o' land, abundant in coastline & girt by sea, Tassie included. Think NZ, Sicily, Corsica, Santorini, Mallorca... & by golly we're open to suggestion. There are exceptions, of course; 'cos who'd want to be on an island without Champagne.

## LEVANTINE PLONK

16	Gaia 'Notios' <i>Agiorgitiko+Syrah</i>	Nemea, GRC	12	60
----	--	------------	----	----

Gaia (pronounced yay-yah) specialise in Agiorgitiko, the noble but generous red grape of Nemea in Southern Greece. The Gaia estate remains a benchmark for this variety and in this blend produces a soft, easy-drinking version that gently mingles with timid, floral Syrah characteristics and a plush underbelly that provides for a moreish want. A wonderful introduction to a little known and diverse grape variety.
