

## TOKEN BLURB

The I/M list brings you a lick of Levantine wine to match the cuisine, along with island wines from around the world, including our own big chunk o' land, abundant in coastline & girt by sea, Tassie included. Think NZ, Sicily, Sardinia, Crete, Corsica, Mallorca... Along with Mediterranean numbers that share the same provenance as our food. There are exceptions, of course; 'cos sometimes there's just fun stuff we wanna drink.

## LEVANTINE + INSPIRED BY

At first glance these wines might seem like a novelty, or at the very least call for an adventurous palate, yet they form the drinking norm in the many cultures that our menu borrows from.

Many of these grapes are barely found anywhere else in the world - indigenous not only to country but also to region. Unique? indeed!
