TOKEN BLURB

The I/M list brings you a lick of Levantine wine to match the cuisine, along with island wines from around the world, including our own big chunk o' land, abundant in coastline & girt by sea, Tassie included. Think NZ, Sicily, Crete, Corsica, Mallorca... Along with Mediterranean numbers that share the same provenance as our food. There are exceptions, of course; 'cos sometimes there's just fun stuff we wanna drink.
